• Chairman Message

Our vision is not to build a garment factory but to establish a social organization too where workers facilities as well as safety will be the top priority.

We are trying to build it as a fully environment friendly green factory. As an example, the factory has already been equipped with modern & latest fire and eco-friendly machineries.

We already arranged more facilities for our beloved workers. The factory has been set-up as international standard and our staff & management are very well-experienced. Moreover, they are trained regularly.

We are sincere about our products and on time delivery of them. Our young and experienced staff and workers are dedicated to their work. We'd like to see the factory as one the of finest factories in near future.

We take pride and satisfaction providing our service and we hope to work with you and guarantee an enjoyable journey doing business with us.

Thank you

MD Salauddin Chowdhury

Chairman

• CEO Message

Stylish Garments Ltd was founded in 2016, in Gazipur with the dream of serving to the apparel sector. More than 6 years of experience, our company has become a breath of fresh air and a driving force for the industry with both its innovative perspective and quality policies.

SGL is dedicated and passionate about the design, production and manufacture of world class apparels and garments utilizing the latest trends, technologies and processes.

Given its key strategic location, Bangladesh is poised to deliver world class value, time and time again as a premier manufacturing base. The support of the Government and a period of continued political and economic stability have ensured that Bangladesh today remains a competitive destination for apparel design, production and manufacture.

One that combines industry experience and know-how, with practical application, in turn presenting an advanced capability that goes beyond the capacity of other similar regional competitors.

The secret of the Company's success thus far can be credited to the key connections and relationships the business has maintained driving customer trust and loyalty.

On behalf of the Company, I would like to express my sincere thanks to the owners and customers who have put their trust, the employees who have worked hard and devoted their great efforts to the development of the Company. We will try our best to create more values, bring trust to customers, owners and contribute to the Company's sustainable and strong development.

Thank you.

Rohan Dammika Kularatne
CEO
